Good morning, ALL

Hope all are staying warm and healthy.

Several schools have question: What is the time frame schools will use for pass/fail percentage for new enrollments?

KBC licensed schools will have until February 1<sup>st</sup>, 2026, for new year student enrollments.

This will give schools time to receive a year of exam pass/fail percentage information back from PSI for: January 1<sup>st</sup> to December 31<sup>st</sup>, 2026.

Schools that have not yet completed this setup with PSI please, see attached tutorial to assist with these necessary reports.

KBC will also disclose pass/fail percentage information on website.

Thank you

Have a great day!
